

## SpongeBob the Musical – Summer 2026

The SpongeBob Musical is a community theatre production that welcomes performers of all ages to audition. However, the principal and supporting roles in this production are primarily written for older teen and adult performers, and the overall casting focus will reflect that.

Younger performers who audition may be considered for ensemble roles and featured moments as appropriate, based on the needs of the production, rehearsal demands, and safety considerations.

We are also seeking people to help behind the scenes. Even if you are not wanting to perform, there are many ways to get involved. Please complete the form for technical and support roles as well.
